

THRIVE

HEAVY LIES THE CROWN

AVAILABLE NOW ON STEAM

PURCHASE NOW

Thrive: Heavy Lies the Crown is a medieval survival city builder where the fate of your kingdom weighs heavily on the choices you make. Will you struggle to survive, or find the strength to Thrive?

PILLARS OF GAMEPLAY

BENEVOLENCE & TYRANNY
INTENTIONS CAN LEAD TO UNEXPECTED CONSEQUENCES.

A VAST LAND
EXPLORATION CAN ONLY STRENGTHEN YOUR INFLUENCE.

SURVIVAL
RESILIENCE BRINGS HOPE TO AN UNCERTAIN FUTURE.

WAGING WAR
MIGHT ALONE WILL NOT CONQUER THE BATTLEFIELD.

THE WORLD

THE WAELEGRIM THE SETTLERS THE CURIA NYSAMOR

A mysterious, non-tangible entity, whose presence is often established by a thick fog. Some say it takes the form of a beast or man; others curse it for the destruction of crops or fallen cattle. It has become synonymous with hardship and tragedy. Still, there are those who believe they can harness or commune with the Waelgrim, a dynamic that could see one's kingdom realize its absolute potential.

FEATURES

- Struggle with real-time decision making that leads to real-time consequences
- Survive the harsh realities of medieval life, both natural and manmade
- Uncover the true nature of the mysterious Waelgrim
- Advance the development of your kingdom through an in-depth tech tree
- Discover your benevolent or tyrannical nature
- Experience a day-night cycle that affects your citizens' behaviours
- Traverse an unknown land to gain new resources and allies
- Defend your growing kingdom by waging epic battles
- Explore this land alone or with up to four friends
- Receive modding support to play your way
